PREAMBLE

This agreement is entered into this 21st day of September 2009, by and between the Board of Education of the Great Meadows Regional School District, Warren County, New Jersey hereinafter called the "Board" and the Great Meadows Regional Education Association, hereinafter called the "Association."

WITNESSETH

Whereas, the Board has an obligation, pursuant to Chapter 303, Public Laws, 1968, to negotiate with the Association as the representative of employees hereinafter designated with respect to the terms and conditions of employment; and

Whereas, the parties have reached certain understandings which they desire to confirm in this agreement;

Be it resolved, in consideration of the following mutual covenants, it is hereby agreed as follows:

ARTICLE I

RECOGNITION

The Board hereby recognizes the Association as the exclusive and sole representative for collective negotiations concerning the terms and conditions of employment for all certificated personnel including teachers, guidance counselors, nurses, librarians, the child study team members, and excluding the superintendent, the assistant superintendent, the principals, the assistant principals, the supervisor of curriculum and instruction, the supervisor of special education, the school business administrator/board secretary, the assistant business administrator/board secretary, the supervisor of plants and facilities, per diem employees, summer employees, substitute teachers and all non-certificated personnel.

ARTICLE II

GRIEVANCE PROCEDURE

A. Definition

1. A "grievance" shall mean a complaint by an employee that
 - a. there has been as to the employee a violation, misinterpretation or inequitable application of any of the provisions of the agreement affecting terms and conditions of employment or that
 - b. the employee has been mistreated by reason of any act or condition which is contrary to established board policy or administrative practice affecting terms and conditions of employment.
2. However, the term "grievance" shall not apply to any matter which
 - a. a method of review is prescribed by law or State Board Rule having the force and effect of law, or
 - b. any matter which according to law is either beyond the scope of Board authority or limited to unilateral action by the Board alone,
 - c. a complaint of a non-tenure teacher which arises by reasons of the employee not being re-employed, or
 - d. a complaint by a certificated person occasioned by appointment to or lack of appointment to, retention in or lack of retention in any position for which tenure is either not possible or not required.
3. As used in this definition, the term "employee" shall refer to certificated personnel and may also mean a group of employees have the same grievance.

B. Purpose

1. The purpose of this grievance procedure is to resolve differences concerning terms and conditions of employment which may from time to time arise. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

2. Nothing herein contained shall be construed to limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the administration, and having the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with the terms in A.1 of this Agreement and the Association has been given the opportunity to be present at such adjustment and to state its view.

C. Procedure

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level shall be considered as maximum and every effort be made to expedite the process. The time limits may be extended by mutual agreement. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved employee to proceed to the next level. Failure at any step within the specified time limits shall signify the employee's acceptance of the decision rendered at that level.

2. The Association recognizes that the Board has the responsibility and the authority to manage and direct on behalf of the public all the operations and activities of the school district to the full extent authorized by Law. The exercise of these powers, rights, authority, duties and responsibilities by the Board and adoption of such rules, regulations and policies as it may deem necessary, shall be limited only as specified in A.1 of this agreement.

3. Level One

Any employee who has a grievance shall discuss it first with the principal in an attempt to resolve the matter at that level. A grievance to be considered under this procedure must be initiated by the aggrieved within twenty (20) calendar days of its occurrence, or within twenty (20) calendar days of when the employee should have know of its occurrence. If the grievance is not filed within this twenty (20) calendar day limit, the grievance is deemed waived.

4. Level Two

If, as a result of this discussion (Level One), the matter is not resolved to the satisfaction of the aggrieved employee, the employee shall set forth the complaint in writing to the Superintendent within ten (10) calendar days. The written grievance shall contain a statement as to all facts which the employee intends to rely upon in support of the grievance and the specific article of the contract or Board of Education Policy and/or administrative decision allegedly violated and the remedy being sought. The Superintendent shall communicate the decision to the employee and GMREA in writing within ten (10) calendar days after receiving the written grievance.

5. Level Three

If the grievance is not settled after reaching the Superintendent, the matter shall be referred to the appropriate committee of the Great Meadows Regional Education Association for consideration. The Committee shall make a determination as soon as possible, but with the period not to exceed fifteen (15) calendar days after receiving written notification from Superintendent. If the Committee determines that the grievance is without merit, it will so advise the employee and a copy of its findings shall be sent to the Superintendent and to the Board of Education.

6. Level Four

If the Committee determines that the grievance has or may have merit, it shall recommend that the grievance be heard by the Board of Education. The Board, or a Committee thereof, shall review the grievance and, if the Board deems necessary, or if the association requests hold a hearing with the employee and render a decision in writing within (30) calendar days of receipt of the grievance by the Board or within ten (10) calendar days of the next Board meeting following the hearing, whichever is greater.

7. Level Five

If the decision of the Board does not resolve the grievance to the satisfaction of the employee, and the employee wishes review by a third party, he/she shall so notify the Board through the C.S.A. within ten (10) calendar days of receipt of the Board's decision. An employee, in order to process the grievance beyond Level Four, must have his/her request for action accompanied by the written recommendation for such action by the Association.

The following procedure will be used to secure the services of a third party referred to as an arbitrator:

a. A request will be made to the Public Employees Relations Commission (PERC) and/or the American Arbitration Association to submit a roster of persons qualified to function as an arbitrator in the dispute in question.

b. If the parties are unable to determine a mutually satisfactory arbitrator from the submitted list, they will request P.E.R.C. and/or the American Arbitration Association to submit a second roster of names.

c. The arbitrator shall limit himself to the issues submitted to him/her and shall consider nothing else. He/she can add nothing to, nor subtract anything from, the Agreement between the parties. The recommendations of the arbitrator shall be binding for the violations based on section A.1 (a) of this Article and shall be advisory on the violations based on section A.1 (b) of this Article. Only the Board and the aggrieved and his/her representative shall be given copies of the arbitrator's report of findings, reasons, and recommendation. This shall be accomplished within thirty (30) days of the completion of the arbitrator's hearing.

8. All meetings and hearings under this procedure shall not be conducted in public except as required by law and shall include only such parties in interest and their designated representatives theretofore referred to in this article.

9. Action of employees during unresolved grievance.

During the time of unresolved grievance, employees are required to follow Board policy and/or administrative direction.

D. Rights of the Employees to Representation

1. Any aggrieved person may be represented at all stages of the grievance procedure by himself/herself, or at his/her option, by a representative selected or approved by the Association.

2. When an employee is not represented by the Association in the processing of a grievance, the Association shall, at the time of submission of the grievance at Level Two, be notified that the grievance is in process, have the right to have a representative of the Association attend and present its position in writing at all meetings with the employee held concerning the grievance and shall receive a copy of all decisions rendered.

E. Miscellaneous

1. Separate grievance file: All documents, communications and records dealing with the processing of a grievance shall be filed in a separate file and shall not be kept in the personnel file of any of the participants.

2. Meetings and hearings: All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representative, heretofore referred to in the Article.

3. Forms: Grievances shall be filed on the approved form.

The Board and the Association agree to the established provisions. A through I as listed below:

- A. The initial salary and initial placement on the salary guide is negotiable between the Board and the employee.
- B. The guide applies to all full-time certificated personnel except those holding emergency certificates. Part time certificated personnel shall be pro rated accordingly.
- C. A minimum of five (5) months or 90 days service in the district during the 10 month school year must be invested for advancement on the salary guide.
- D. Graduate credits shall be only those credits classified by the college or university when earned as being in the graduate category. All graduate credits earned may be considered for horizontal movement on the salary guide if they pertain specifically to the teacher=s present teaching position and/or were approved by the administration of the GMR School District.
- E. A bachelor's degree or master's degree as mentioned in the salary guide must be in the field of education or in the field pertaining to the occupational role held by the individual in our school system.
- F. Longevity: Those employees hired and continually employed prior to July 1, 1996 shall receive credit toward longevity as listed in Appendix A. Those employees hired after June 30, 1996 whose initial placement on the salary guide does not provide credit for the actual total years in public education, the actual total years in public education shall continue to be credited for longevity purposes. On the other hand, if a teacher is placed at a higher step than prior public educational experience would dictate, that teacher shall receive credit toward longevity for only the actual prior years in education not for the step placement.
- G. Any change in salary schedules through the awarding of a higher degree or earned credits must be applied for in writing to the C.S.A.

Advancement from one category to another on the salary guide shall be granted effective September 1, and/or February 1, immediately after the completion of the advanced degree or earned credits. Notification to the C. S. A. of eligibility or anticipated eligibility for any change on the salary guide must be made no later than 30 days prior to these effective dates. Any change in salary status, under this Article, shall be retroactive to the September 1 or February 1 date only after evidence of eligibility (transcript, etc.) is received by the C. S. A.

H. Teachers employed on a ten (10) month contract shall be paid in twenty (20) equal semi-monthly installments; the installments to be made on the 15th and 30th day of the month employed. When the 15th or 30th of the month falls on a school holiday, vacation or weekend, payment shall be made on the last previous school day. Teachers will be offered the option of 24 payment installments to be paid September through August on the 15th and 30th of each month. The Board Office will be notified in writing no later than May 1st of a teacher's intent to exercise the option to be paid in 24 payment installments for the subsequent school year. New hires will be offered the opportunity to be paid in 24 payment installments at the time of their initial employment.

I. Teachers may individually elect to have a set amount of their monthly salary directly deposited to any bank which maintains transit/ABA number and/or may voluntarily elect to have a set amount of their monthly salary deducted from their paycheck for Tri-Co Federal Credit Union, Union Dues, US Savings Bonds, ~~Washington National~~, or Tax Sheltered Annuity through Board of Education approved programs. *Prudential INS.*

ARTICLE V

TUITION REIMBURSEMENT

The Board shall provide a maximum of \$26,000 (2009-20010), \$28,000 (2010-2011), \$30,000 (2011-2012) annually for each year to underwrite the cost of graduate program college tuition (only) for the certificated professional staff. Reimbursement shall be paid for those graduate credits successfully earned at a rate not to exceed the current cost per graduate credit established by Rutgers, the State University, when the initial application is made for approval. In addition, the sum of up to \$50/course for textbooks shall be reimbursable. Teachers shall be limited to a maximum of nine (9) credits per school year. The funds shall be divided into 3 equal allocations (summer, fall and spring). If in any session, there is more than 1/3 of the funds requested, each teacher will receive a pro-rated amount. For example, if there is \$5,333 requested in the '06 summer session, each teacher shall receive 80% of his/her request. If in any session, the total 1/3 of the funds is not spent, the remaining amount shall be used to further reimburse, proportionally, those individuals who did not receive full allocation in their session (s). If a teacher successfully completes more than nine (9) credits and has received administrative pre-approval for additional courses, the teacher shall receive reimbursement for the additional credits only if a balance is available at the conclusion of the school year after all other reimbursement obligations have been fulfilled.

Teachers shall be responsible for certifying participation in a pre-approved graduate course to insure that the business office may make proper adjustments and notifications in a timely manner. Such notification/certification shall take place no later than two weeks after the beginning of the course. This could be subject to change depending upon the scheduling of classes that begin after the start of the session.

The School Business Administrator shall inform any/all teachers applying for reimbursement of the status of their reimbursement ratio no later than three weeks after the beginning of the class. Teachers who anticipate moving laterally to another column on the salary guide in the subsequent school year are to notify the Business Office by January 31st of any anticipated education advances on the salary guide for the ensuing school year.

If an employee resigns his/her position within 1 year after having received tuition reimbursement from the District, that teacher shall repay the District 100% of the tuition reimbursement received in that prior year.

Reimbursement shall be made by the teacher to the District within 30 days of the teacher's voluntary departure from the District. INSURANCE

The Board and the Association agree to the following:

Beginning with the 1996-97 contract all GMREA members were eligible to select insurance coverages as outlined below or to decline coverage according to contract language and receive fixed dollar amounts. The fixed dollar amounts, based on 35% of the annual premiums, will be paid to the employee minus any taxes. Insurance coverages included in this plan are health, prescription, and dental.

A. Health Insurance

1. The Board shall provide health care insurance protection. The Board shall pay the single rate for all employees plus the cost of dependent coverage under the Horizon Blue Card PPO Plan. Teachers hired on or after July 1, 2009 will be offered, at Board expense, the POS Plan for the employee and eligible dependents. These employees will be offered the opportunity to obtain the PPO Plan by paying the difference in cost between the POS Plan and the PPO Plan. After 3 years and 1 day of employment (i.e. achievement of tenure), these employees will have the right to move, without cost, from the POS Plan to the PPO Plan, so long as notice is given to the Business Office of the staff member's intention to do so no later than February 1st of the school year prior to when the change in plans is to take place.

2. Provisions and descriptions of the health care program shall be provided to each teacher. This shall include the conditions and limits of coverage. Mandatory second opinion surgery and preadmission certification/continued stay review shall be part of this coverage.

3. The health insurance carrier may be selected by the Board. However, any change in carrier must be for a program which is equal or better than the one currently in existence.

In the event the Board would effect any change in the insurance carrier, it is agreed that there will be no lapse of coverage for employees at the time of change nor will there be any decreases in the type of coverage or benefits.

- a) Office visit co-pay - \$15.00
- b) Out of Network Deductible - \$400 single/\$800 family
- c) Out of Network Catastrophic - \$3,000 single/\$6,000 family

4. Any employee who chooses to waive this coverage and who shall provide evidence of alternate coverage shall receive an additional annual stipend in the amount of 35% of the qualified premium. For example, in 2009-2010, stipends would be calculated as follows:

2009-2010 "Estimate"

If eligible for family coverage	(PPO)	35% of \$18,262.92 = \$6,392.02
	(POS)	35% of \$16,681.68 = \$5,835.88
If eligible for husband/wife coverage	(PPO)	35% of \$15,623.40 = \$5,468.19
	(POS)	35% of \$14,271.60 = \$4,995.06
If eligible for parent/child coverage	(PPO)	35% of \$10,450.68 = \$3,657.74
	(POS)	35% of \$ 9,546.60 = \$3,341.10
If eligible for single coverage	(PPO)	35% of \$ 7,161.96 = \$2,506.69
	(POS)	35% of \$ 6,542.52 = \$2,289.88

One half (1/2) of this amount will be remitted to the employee by January 15 and 1/2 by July 15. Notification of the insurance waiver by the employee to the school business administrator must be made by June 1 or December 1.

5. Reenrollment may only occur on January 1 or July 1 by providing written notification to the school business administrator 30 days prior to the effective date of the requested change.

B. Prepaid Prescription Program

1. The Board shall provide a prepaid prescription program on a co-pay basis. It is understood that "co-pay" signifies the employee pays

	<u>BRAND</u>	<u>GENERIC</u>	<u>MAIL ORDER</u>
2009-2010	\$30.00	\$15.00	\$10.00
2010-2011	\$30.00	\$15.00	\$10.00
2011-2012	\$30.00	\$15.00	\$10.00

per claim submitted. The Board shall pay the single rate for all employees plus the cost of appropriate dependent coverage.

2. Provisions and descriptions of the prescription program shall be provided to each teacher. This shall include the conditions and limits of coverage. A \$500 CAP per covered individual shall be in place from January thru June and a second \$500 CAP per covered individual shall be in place from July thru December of each year of the contract.

3. The prescription insurance carrier may be selected by the Board. However, any change in carrier must be for a program which is equal or better than the one currently in existence.

In the event the Board would effect any change in the insurance carrier, it is agreed that there will be no lapse of coverage for employees at the time of change nor will there be any decreases in the type of coverage or benefits.

4. Any employee who chooses to waive this coverage and who shall provide evidence of alternate coverage shall receive an additional stipend in the amount of 35% of the qualified premium. For example, in 2009-2010, stipends would be calculated as follows:

If eligible for husband/wife coverage	35% of \$3,331.56 = \$1,166.06
If eligible for parent/child coverage	35% of \$1,897.56 = \$ 664.15
If eligible for single coverage	35% of \$ 1,421.16 = \$ 497.41

One half of this amount will be remitted to the employee by January 15 and 1/2 by July 15. Notification of the insurance waiver by the employee to the school business administrator must be made by June 1 or December 1.

5. Reenrollment may only occur on January 1 or July 1 by providing written notification to the school business administrator 30 days prior to the effective date of the requested change.

C. Dental Plan

1. The Board shall provide a Dental Plan. The Board shall pay the single rate for all employees plus the cost of dependent coverage.

2. Provisions and descriptions of the dental program shall be provided to each teacher. This shall include the conditions and limits of coverage.

3. The dental insurance carrier may be selected by the Board. However, any change in carrier must be for a program which is equal or better than the one currently in existence.

In the event the Board would effect any change in the insurance carrier, it is agreed that there will be no lapse of coverage for employees at the time of change nor will there be any decreases in the type of coverage or benefits.

4. Any employee who chooses to waive this coverage and who shall provide evidence of alternate coverage shall receive an additional annual stipend in the amount of 35% of the qualified premium. For example, 2009-20010, stipends would be calculated as follows:

	<u>2009-2010 "Estimated"</u>
If eligible for family coverage	35% of \$1,715.04 = \$600.26
If eligible for husband/wife coverage	35% of \$ 1,019.64 = \$356.87

If eligible for parent/child coverage	35% of \$ 1,019.64 = \$356.87
If eligible for single coverage	35% of \$ 569.28 = \$199.25

One half (1/2) of this amount will be remitted to the employee by January 15 and 1/2 by July 15. Notification of the insurance waiver by the employee to the school business administrator must be made by June 1 or December 1.

5. Reenrollment may only occur on January 1 or July 1 by providing written notification to the school business administrator 30 days prior to the effective date of the requested change.

2011-2012	\$38/hr.

A schedule of extra/co-curricular activities with objectives, dates, and times of occurrence will be submitted to the Chief School Administrator via the school principal/supervisor of curriculum and instruction. The Board of Education Curriculum Committee will decide which activities will be funded and the number of hours for each activity and will present those selected to the Board for approval and appropriation of funds.

B. Bedside Instruction will be compensated at an hourly rate as follows:

2009-2010	\$34/hr.
2010-2011	\$36/hr.
2011-2012	\$38/hr.

C. Teachers providing Board of Education authorized workshops and/or in-service presentations shall be compensated for their preparation time at the following hourly rates:

2009-2010	\$34/hr.
2010-2011	\$36/hr.

Example: for 2009-2010:

$$\begin{aligned}\text{Duration of Presentation} + 1 \text{ hr.} &= \text{total preparation time} \\ 2 + 1 \text{ hr.} &= 3 \text{ hrs. preparation time} \\ 3 \times \$34 &= \$102.00\end{aligned}$$

In the event a workshop and/or in-service presentation is authorized to be repeated within any two (2) year period, calculation of preparation time shall be based on duration of presentation only.

Exempt from this provision shall be "turn key presentations" to colleagues upon the return from an in-service program

Once a year (minimum), the Association and district administration will review the job responsibilities and make any necessary changes in description and/or hours. Staff coaching after school sports clubs and/or activities that are on a 'play to pay' basis will be notified of their stipend amount after the administration and the GMREA have discussed and agreed upon said stipend amount.

- E. The hourly rate for curriculum and/or staff development shall not apply when teachers are relieved from their regular contractual duties for curriculum and/or staff development activities either by providing an in-service day, shortened school day, substitute, or release time. Exempt from this provision shall be "turn key presentation" to colleagues upon their return from an in-service program and/or workshop paid by the district. The teacher shall professionally facilitate a minimum presentation of ten (10) minutes. This provision will not preclude payment for the aforementioned activities outside the contractual school day or for workshops presented by teachers during the school day or in-service day. Staff members providing a workshop or in-service during regularly scheduled hours shall still be compensated for preparation time spent outside of school hours preparing for the presentation.
- F. Common Planning Time – memorialize existing practice for middle school teachers-five (5) common planning periods per week at the middle school, in addition to five (5) preparation periods per week, for each certified staff. Elementary teachers, with the exception of elementary specialists (wellness, library, art, music, technology, and world languages), special education teachers, nurses and guidance counselors, shall have six (6) preparation periods in a five (5) day academic cycle for the performance of professional

School Year	Sick Bank Cap	Per Diem Amount	Retirement Date	Notification Date

3. Notification of retirement must be received by March 1 of the year of retirement to be paid on July 1 of the same year. Any notice received after March 1 will result in the payment being delayed until July 1 of the following year.
4. The parties agree to establish a sick leave bank. The Administration and Association leadership will meet to work out mutually acceptable language (consistent with statutory authority) for the establishment of a sick leave bank.

B. Bereavement

The Board agrees to allow a maximum of five (5) days within a thirty (30) day period in the event of the death of an employee's spouse, child, parents, parents-in-law, brother, sister; up to three (3) days for grandparents, brother/sister in-law or others who have resided in the employee's household. 2. In cases when the childbirth occurs during the school year, the following procedure is to be utilized:

If a staff member is pregnant, she shall submit a letter from her doctor indicating her expected date of delivery and when her doctor anticipates the start of her disability. She shall submit this letter and a letter of notification to the Board informing the Board of her intentions as soon as possible prior to the start of the leave (but no later than 60 days).

During this period of disability, the staff member will use her sick days and will be paid accordingly. At the end of her disability, she shall provide a letter from her doctor certifying that she can resume her responsibilities at work. As in any disability, the end of this disability period is determined by her health and her doctor's advice.

Immediately following the period of disability and upon her request, the teacher may be placed on an unpaid child care leave which is to continue until the end of the school year. The request for this child care leave must be submitted to the Board no less than sixty (60) calendar days prior to the commencement of the leave. This leave shall be granted by the Board.

3. Unless mutually agreed with the Board, no teachers may return to work from a maternity/child care leave at a date other than September 1 or the 1st day of the 3rd marking period.

The Board need not grant nor extend the leave of any non-tenured teacher beyond the end of the contract school year in which the leave is obtained.

Foster children will not be considered as adopted children. This clause shall be consistent with Board of Education Policy.

Dear Dr. Federiks and the Great Meadows Board of Education,

On Thursday, August 16, 2012 the Great Meadows Education Association ratified with the salary guides created by NJEA. Based on our agreement, members will receive longevity on Step 20. Because these guides have a step 21, it will be necessary for the language in the contract regarding longevity be changed to reflect this. It should read "A teacher at Step 20" not a teacher at the terminal step.

- 11) As such, the Board did not accept the Association's proposed change to the MOA after the conclusion to negotiations and ratification by both sides.
